Dear Colleague,

I write to inform you of Barnsley CCG's intention to continue to commission Pharmacy services in 2019/20, as part of a local agreement. Please find attached a copy of the contract specification for the Medication Management Service

- Medication Management Service
- Please note that the following changes have been implemented to the Medication Management Service:

The new payment structure takes effective from 1 February 2019 (as cascaded via PharmOutcomes). Payment structure will be activity based and will attract the following prices:

- £75 for registration of patient
- £11 per month for active management of patient
- £25 for any updates to medication/care plan or a review of the care plan.

Only one of the above prices can be claimed per month for individual patients. Barnsley CCG has also removed the retainer fee for this scheme and **from 1 May 2019 Barnsley CCG will not accept any old service claims for payment.**

Could you please confirm if you wish to continue providing this services by completing and returning the slip attached as soon as possible and by **22 March 2019** at the latest. Alternatively you can email Laura Kelly, Project Support Officer at Laura.kelly23@nhs.net to register your interest.

Please note that if no response is received by the Barnsley CCG by 22 March 2019 then we shall interpret this as notification that your Pharmacy does not wish to continue providing services in 2019/20.

Should you have any issues or queries please do not hesitate to contact either myself (Amanda Capper) on 01226 433624, amanda.capper@nhs.net or Alex Webster on 01226 433671, alexwebster@nhs.net.
