✗ What is NOT Covered by PEARS

Any eye condition that is being regularly monitored by your optometrists or hospital eye service, this will not be covered by this service, for example, cataracts, diabetic retinopathy, glaucoma, Severe (requiring surgery) Ectropion, Entropion or Chalazion.

Emergency symptoms such as – chemical/burns/industrial injuries, penetrating trauma, post-operative infection and severe pain especially with associated vision loss, long term conditions or severe eye conditions which requires immediate hospital interventions.

How to Refer / Signpost

GP Practices : Either signpost patients to the list of practices (page 2) or send the Referral form to SPA by email to sth.spa@nhs.net or by post to SPoA, Top Floor, Community House Vickers Corridor Northern General Hospital, Sheffield, S5 7AU. To check receipt of referral, contact SPoA on 0114 226 6566

Community Pharmacy: signpost patients to the list of practices (page 2)

Optometrist Triage and where necessary onward referral

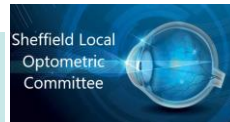

Either the practice or SPA will arrange for the referral to be triaged, to determine if the patient is suitable for a PEARS assessment and how quickly they need to be seen, **either within 48 hrs if urgent, or 2 weeks if routine.**

If the patient is not suitable to be seen by PEARS the patient will be referred for onward management.
